"SCHOOL IS A SOCIAL INVENTION THAT CREATES INNOVATION."

"BRIGHT FUTURE OPENS ITS GATES IF WE ARE LITERATE."

## From Director's Desk

I feel immense pride to welcome you to S.D.V. Group of Institutions. I am delighted that you are opting our institution for your ward's education. Your ward is going to be a part and parcel of S.D.V. family which is committed to excel ignited minds to the optimum for over a decade. I strongly believe that every child is special. Every child has some innate potential. All we need to do is unleash the potential of the child and let free the young mind to imagine.

**"HISTORY HAS PROVEN THAT THOSE WHO DARE TO IMAGINE THE IMPOSSIBLE ARE THE ONES WHO BREAK ALL HUMAN LIMITATIONS."**

## Note from First Teacher

Being a constant learner for more than three decades in the field of education, I have realized that education is the enlightenment of soul. It sparks creativity, expands intellect, inculcates a spirit of philanthropy and builds confidence. Beyond all doubts, we constantly endeavour to recognize the hidden talent of our children and offer them a variety of exposure so that their complete personality can be groomed. I strongly feel that a Teacher is a potter who shapes beautiful heart and intelligent mind on its wheel. He makes the highest contribution in shaping the future of society. I acknowledge your valuable suggestions & feedback with regards.

## Our Vision

To architect the destiny of nation by imparting value-based education, thereby, enabling our children to become Global Leaders so that they can rise from strength to strength and evolve into contributing members of society.

## Our Mission

Transforming the dreams of our students into reality by practising the culture of excellence through value-based education.
